Welcome to Dental Health Services

We are glad to have you as a valued member of our special dental care organization. You are important to us and so is your healthy smile. We want to keep you smiling by helping you protect your teeth, saving you time and money. As a member of Dental Health Services, you and your family are entitled to some important and valuable benefits.

How to use your plan

Dental Health Services offers you a prepaid, direct service dental care program. Your specialized dental plan has been designed to provide the maximum benefits at a low cost to you and your family.

Convenience of location, availability of services and a minimum of paperwork make it easy to receive quality dental care. For more specifics on how to use your dental plan, take some time to review the booklet entitled “UTU Dental Plan: Combined Evidence of Coverage & Disclosure.”

Selecting your dentist

You may choose to receive care from any dental office listed in this directory. All dental care is received from the dentist you select, except in the case of an out-of-area emergency, or if you are referred to a specialist.

Changing your dentist

You can change dentists simply by contacting the Administrative Office of the Trust Fund at either 213.624.6487 or 626.962.1762. Requests received by the 10th of the current month will be effective for the new office on the 1st of the next month. Changes made after the 10th of the month will be effective on the 1st of the month after next.

Many of our dental offices have doctors and office staff who speak other languages in addition to English. The languages spoken at a particular office are noted at the end of each listing in the directory.
