# OVERVIEW

**Pharmacy benefit overview**

**Key information**

**Express Scripts® mobile app**

# PARTNERED WITH EXPRESS SCRIPTS

The ability to get medication delivered directly to your door with Express Scripts Pharmacy®

24/7 access to pharmacy experts to help with any medication needs

Manage prescriptions anytime and anywhere with the Express Scripts® mobile app

# GENERIC PRESCRIPTIONS

- Before leaving your doctor's office, ask either your doctor or the nurse, “[Is there a generic for that?](#)”
- [Review all of your medicines regularly](#) with a doctor or pharmacist to see if new options are available
- Use the Express Scripts® mobile app or visit [express-scripts.com](https://www.express-scripts.com) to [find a generic](#) or [price a medication](#)

# BENEFITS OF HOME DELIVERY

- Good option for **long-term medications**
- **Cut down on multiple monthly trips** to a retail pharmacy
- **24/7 pharmacist access** from the comfort of your own home
- **Free and safe delivery** of your medicine in **secure packaging** that ensures your **privacy**
- **Automatic** refills and renewals
- **Refill, renew and track your order** using the Express Scripts® mobile app or online at [express-scripts.com](https://www.express-scripts.com)
- **It's easy to start:** call the number on the back of your Express Scripts member ID card

# HOME DELIVERY

- Convenient home delivery from Express Scripts Pharmacy<sup>®</sup> is preferred by your plan
- You can continue going to a retail pharmacy every month, but you could potentially pay a higher cost for your long-term medication
- Home delivery can save you time and money
- To get started, call the number on the back of your Express Scripts member ID card

*accredo*®

**A SPECIALTY  
PHARMACY**

- Specialized patient care for patients with chronic and complex health conditions
- Ongoing support from pharmacists and nurses with specialized training and expertise
- Individualized counseling and education
- Patients who use Accredo receive better patient care and have healthier outcomes
- Proactive patient monitoring through regular assessments and touch points
- Exclusive mobile and online support tools for patients in specific therapy classes
- Care coordination with your entire healthcare team
- Patient assistance programs available

# DRUG LIST

- Physicians and pharmacists routinely review the medications on your formulary / drug list that are covered by your prescription plan
- Generic and brand-name drugs (preferred drugs)
  - Generics typically **cost less** than brand-name drugs
  - Preferred drugs are **proven to work in** the same way as their more expensive counterparts
  - You can still fill a prescription for a non-preferred drug, but you may have a **higher copayment**
  - Certain medications are **excluded** – which means they are not covered at all
- **Talk with your doctor** about moving from non-preferred and excluded drugs to generic and preferred drugs

## THE EXPRESS SCRIPTS® MOBILE APP

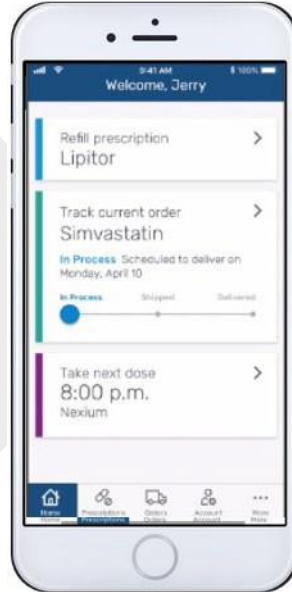

### Download it for free

Search for “Express Scripts” & use the same username and password to access the mobile app and [express-scripts.com](https://www.express-scripts.com)

### Pharmacy info

Price medications between pharmacies & locate a pharmacy near you

### Home delivery info

Renew & refill home delivery prescriptions, track the status and transfer prescriptions to home delivery

### Other helpful tools

Access your member ID card virtually, view your past prescription activity, get reminder notifications

### Registration is easy.

Create an online account to manage your prescriptions, check order status and transfer your prescriptions to home delivery. TRICARE beneficiaries must register at the TRICARE website. Already registered? To access your account, log in now. All fields required for registration.

### Catherine , just one more step.

Now that you have verified your membership, create your account by filling out the form below. You will use the username and password entered the next time you return.

Username

We recommend using your email address as your username so it's easy to remember later.

Password

Strength: Weak  
Minimum of at least 6 characters

Confirm Password

Password Hint

If you cannot remember your password later, we'll show you this after you authenticate to help you remember.

Security Question

If later you need to recover your account, you will be asked this.

Your Answer

## EXPRESS SCRIPTS

Welcome, Chris
