HOW TO MAKE AN IMPACT

BECOME A CORPORATE SPONSOR

Invest in a future where everyone has the opportunity to live a full, healthy life through a corporate sponsorship with the American Heart Association.

JOIN THE EXECUTIVES WITH HEART CHALLENGE

Be part of an elite group of Los Angeles executives, survivors and volunteers who are stepping up to personally fundraise \$5,000 or more, with a collective goal of raising \$250,000 to drive the American Heart Association's life-saving work.

FORM A COMPANY HEART WALK TEAM

Bring together employees at every level and rally around a cause that saves lives. All it takes is one influential leader to spark the effort — recruit walkers, energize fundraising, celebrate every contribution and inspire the team to reach (and exceed) the goal together.
